## **Indigenous Peoples Sunday And Fathers Day**

***The land on which we gather is land that has been walked on, hunted on and lived on for thousands of years. It is the traditional land of the Mohawk people and it is with humility and respect that we give thanks we are here, in the space where we are, in touch with Creator God who made it and who made us. May our worship honour the relationships that are celebrated and invited here, and may we always remember the story of this land, the people who live here, and the call to live with respect and thanksgiving.***
